Smoking will not be allowed in or on the premises at any time.

Scamps and Scholars are committed to providing a smoke/vape free environment for the children attending Scamps and Scholars by achieving the following:

- Having this strict no smoking/vaping policy for this centre and its grounds, including play areas and car park and other such ancillary areas to the centre.
- A strict no smoking/vaping policy for any vehicle, owned or contracted that is utilised for the children at Scamps and Scholars.

- No smoking/vaping is permitted in any vehicle that is on the grounds of Scamps and Scholars.
- Children will not be taken to any setting where smoking/vaping is permitted. When in a public open space where smoking/vaping is allowed we will always keep the children in our care, as far as is reasonably practical, away from persons smoking.
- If children are expected to use a space where smoking or vaping has taken place, we will make sure that the room(s)/areas have been/is well ventilated before the children are due to arrive.
- Promote the importance of having smoke and vape free homes and cars with all service users.
